Learn by doing, iThoughtsHD activity

Choose one of the following topics:

Homework should be banned

Books are better than TV

School holidays should be longer

Create a mind map about your topic:

Send it to your camera roll

Insert into Pages or Keynote as a starting point for a writing piece

If you have time try different colours / fonts / ways of arranging your brainstorm / other ways you can share/save your work/ insert a link or picture.

What are some ideas of how you could use this in the classroom?

Email your ideas for use, the outline and PDF to a friend (or yourself).
